

The first part of the document  
 discusses the general principles  
 of the system and the  
 various methods of  
 application. It is  
 divided into several  
 sections, each dealing  
 with a different aspect  
 of the subject. The  
 first section is  
 devoted to the  
 history of the  
 system, and the  
 second to the  
 theory of its  
 operation. The  
 third section  
 describes the  
 practical  
 details of the  
 system, and the  
 fourth to the  
 results of its  
 use. The fifth  
 section is  
 devoted to the  
 comparison of  
 the system with  
 other systems, and  
 the sixth to the  
 conclusions of the  
 author. The
